Description

Product Description:

Transform your space with StrataNest Beige, a sculptural area rug designed with a harmonious grid of overlapping rectangles in soft beige and cream tones. The geometric motif adds balance and depth to any room while maintaining a neutral, versatile palette that complements wood, stone, and minimalist décor effortlessly. Ideal for living rooms, bedrooms, hallways, and studios, this rug blends plush comfort with refined style. Whether anchoring a curated space or brightening a cozy corner, StrataNest Beige brings subtle elegance and tactile warmth to modern interiors.
