### Product Description

Make a daring design statement with our Avant-Garde Geometric Arch Area Rug. Moving beyond traditional boundaries, this piece features a captivating, domed arch silhouette that brings architectural interest and an undeniable artistic edge to your floors. It is the ultimate accent for postmodern, mid-century modern, Bauhaus-inspired, or curated eclectic interiors.

The rug showcase a masterful composition of color-blocked geometric shapes—combining sharp triangles, smooth curves, and bold stripes. Its sophisticated color story brings together rich forest green, muted teal, and sun-warmed mustard yellow, beautifully balanced by earthy terracotta, deep chocolate brown, soft lavender, and dusty rose.

Hand-tufted from a premium, high-density wool blend, this sculptural rug features a plush, uniform cut pile that highlights the clean lines of the design while offering a luxurious and comfortable feel underfoot.
