### Product Overview

Introduce an air of refined, time-worn elegance to your home with this stunning handcrafted wool area rug. Merging a classic traditional diamond medallion layout with an artistic, distressed watercolor finish, this rug brings sophisticated color and rich visual texture to your floors without overwhelming your space.

The design is carefully hand-tufted using premium wool fibers, featuring a beautiful matrix of horizontal, heathered striations. Soft, washed shades of slate blue, subtle denim, and muted gold-ochre melt into a serene background of cream, taupe, and mineral grey. The result is a multi-layered appearance that beautifully mirrors the character of a prized antique heirloom.

This versatile rug is an exceptional choice to ground a modern luxury apartment, soften a sleek minimalist layout, or add a touch of timeless warmth to a transitional living room or main bedroom.
