? Product Overview

Infuse your home with a grounded, upscale energy with this exceptional handcrafted wool area rug. Showcasing a continuous, geometric chevron pattern interspersed with concentric diamond frames, this piece creates a captivating sense of rhythm, depth, and modern architectural alignment across your floors.

Expertly hand-tufted from high-grade wool fibers, this rug features an incredibly rich, tactile dimension. The prominent chevron and diamond motifs are crafted using a raised, nubby loop pile that stands out beautifully against a lower-profile, solid background. Woven in a sophisticated color palette of warm terracotta rust, rich copper, and crisp ivory cream, the design beautifully captures natural lighting to add instant warmth and character to a space.

An exquisite choice for high-end styling, this versatile rug provides an ultra-premium, cozy layer that perfectly complements a modern luxury apartment, a sleek minimalist layout, or a relaxed contemporary living space.
