## Description

### ? Product Overview

Ground your space in quiet luxury with this **handwoven abstract rug**, inspired by organic forms found in nature. Featuring layered, free-flowing contours in rich forest green, soft sage, and ivory outlines, this piece brings depth, calm, and modern artistry to any room. Each rug is thoughtfully crafted to feel both **contemporary and timeless**, making it a statement without overwhelming your space.

Designed for those who value craftsmanship and intentional design, this rug blends art and function—soft underfoot, visually grounding, and effortlessly elegant.

### ? Design & Style

Organic, free-form abstract pattern

Earthy green palette with subtle tonal contrast

Minimal yet expressive—perfect for modern, wabi-sabi, Scandinavian, or boho interiors

Hand-outlined contours create a sculptural, layered effect

### ? Material & Construction

Handwoven by skilled artisans

---

---

Premium natural wool for durability and softness

Dense pile with a plush, luxurious feel

Crafted using traditional weaving techniques to ensure longevity
