Product Description

Make a bold yet sophisticated statement with our premium hand-tufted tribal medallion area rug. Balancing timeless, heritage-inspired geometry with a clean, contemporary layout, this piece brings instant character and visual anchoring to any space.

Set against a crisp, solid cream background, the design features a prominent central diamond medallion flanked by beautifully structured geometric emblems and a highly detailed, spiked border. The motifs are rendered in a deep, rich charcoal with subtle dark olive-green undertones, offering a striking high-contrast look that remains grounded and organic.

Whether you are anchoring a sunlit modern apartment living room, adding a layer of warmth to a cozy bedroom, or creating a focal point in a minimalist office, this rug effortlessly bridges the gap between traditional craftsmanship and sleek, modern aesthetics.
