Product Description

Transform your home with a striking blend of Scandinavian simplicity and bold geometric design. This premium, hand-tufted area rug features a plush cream pile meticulously carved with a deep, high-low diamond and chevron pattern. The architectural lines add incredible visual depth and tactile luxury underfoot, while the minimalist color palette seamlessly complements modern, Japandi, or contemporary luxury interiors.

To anchor the expansive geometric design, the top and bottom borders are finished with a crisp, contrasting black-and-white striped trim, giving it a tailored, designer edge.

- **Premium Quality Construction:** Expertly hand-tufted for excellent durability, a thick and cozy feel, and minimal shedding.
