## Description

### Product Description

Introduce a calming sense of natural movement to your floors with this premium hand-tufted area rug. Featuring an abstract, wavy crosshatch pattern that mimics shifting sands or gentle ripples, this piece brings an effortless organic modern vibe to high-end contemporary interiors.

The beauty of this rug lies in its meticulous, sculpted texture. A dense, raised cream grid layer is expertly tufted over a muted, earthy sage green backdrop, creating a magnificent high-low dimensional feel. The soft, undulating lines break away from rigid geometry, making it the perfect foundation piece to soften a minimalist room with natural light and clean furniture lines.

### Why You'll Love It

- **Sculpted Visual Depth:** The irregular, wavy crosshatch lines offer an incredibly rich texture and a subtle 3D effect that feels luxurious underfoot.
- **Serene Earthy Colorway:** The understated palette of soft, muted green and cream infuses your space with a relaxed, grounding, and organic atmosphere.
- **Premium Quality Craftsmanship:** Hand-tufted using high-quality wool fibers for exceptional durability, comfort, and a plush feel that stands up to daily life.
