Product Description

Discover the perfect intersection of tribal motif and structured modern design with our Maze & Medallion rug. This statement piece utilizes intricate, parallel line illustrations to form a rhythmic vertical pattern of interlocking pillars and diamond-shaped medallions.

The color story pairs a crisp, off-white background with alternating columns of deep slate blue and midnight charcoal. Every line features a softly stippled, broken-ink texture that mimics classic block-printing or block-weaving techniques. Rich in detail yet visually grounded, this rug brings a coastal, bohemian, or globally-inspired modern vibe to living rooms, dining spaces, and bedrooms alike.
